Testimonial for: Allan Stevenson – Driving School

Allan has already completed 4 driving assessments for employees at Enterprise Rent-a-Car. Each time Allan has arrived promptly and with the enthusiasm we now all come to expect. He always shows fantastic professionalism throughout the process and ensures that each employee going through the assessment is fully aware of what he expects to be represented in their driving.

Allan shows a sound understanding of what is asked by Enterprise and adheres to whatever we ask of him. He has always made himself available for any appointment we require and for that I thank him greatly.

I would be very happy to recommend the services and assistance of Allan as he takes on his challenge of fleet assessments.

Thank you again, and good luck with the new venture.

Kind regards,
