

Mr A Stevenson
Driving Instructor

17th January 2011

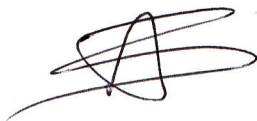

Dear Alan,

Had to write and thank you for the sterling job you have done in helping my children to pass their Driving Tests.

That's now 3 kids all passed first time, what more can I say, not many business people with a 100% track record, so no pressure when I tell you my youngest daughter has just turned 15 and I will be very upset when her time comes if you blow your record!

On a serious note Sam is delighted with the independence this now gives her and we really appreciate your calm and guiding style that has helped all the kids pass first time. Sam is already telling her school friends about you so hopefully more customers to follow.

Kinds regards

Alistair Richards
